

## **RACK ATTENDANT**

## **Job Description**

Anderson Brothers is looking for a full-time person to work in the Wash Rack department of our shop. This person will clean, buff, and paint all units in the shop; maintain all machinery in rack area; and perform forklift duties for all departments in the shop as needed.

## Responsibilities

- Clean all cores for rebuilding facility; this includes using the forklift to bring cores/parts to and from the builders work areas
- Buff and paint units for sale
- Retrieve finished product and deliver to shipping and receiving area for sale
- Must be familiar with use of heavy equipment and using equipment in a safe manner
- Complies with training procedures in handling of all hazardous waste materials
- Maintaining good attendance is a condition of employment and an essential function of this position.
- This job description does not necessarily include all the essential functions that may be necessary; additional responsibilities may be assigned based upon the continuing needs of the organization.

## Skills

- Must be able to work independently as well as work with others
- Must be able to read and interpret English, adjust vision to focus, see color for determining alpha and numeric dimensions, and use depth perception for precision cutting.
- Ability to communicate well with supervisor, co-workers, customers, and or vendors
- High school diploma or equivalent is preferred but not required
- Ability to continuously stand and lift, push or pull 25-50 lbs; 50-75 lbs occasionally

Work is generally performed inside shop buildings that are enclosed and protected from the outside elements, but the person will be exposed to continuous dust, dirt, and exhaust vapors as well as the elements when using the forklifts or when bay doors are open.

Job Type: Permanent Full-time

Shift available: 8:00 a.m. – 4:30 p.m.

Pay: \$20.00 per hour
